## Talk it Over:

### “Saul’s Encounter with God”

#### Big Idea:

God is orchestrating moments in your life for you to encounter His presence, so that you would come to Know Him fully and so that He might release you to partner in His mission.

#### Discussion Questions:

- Do you think there is anything in your life distracting you from encountering God?
- Read Eph. 2:10 – What good works might God have prepared in advance for you? How is God inviting you to join Him on His mission?
- Discuss Saul’s encounter with God on the road to Damascus from Acts 9:1-19A - why do you think God chose to meet with Saul in this way?
- Discuss some spiritual practices you could implement that could help you encounter God’s presence.

#### Prayer Focus This Week:

God, I want to experience you in new and fresh ways, would you help me to be alert and aware this week of the little moments you are working together so that I could encounter you. Help me to come to know you fully and go in partnership with your Spirit to share the good news. In Jesus name, Amen.

#### Next Steps:

- If we’re going to encounter God; we must set aside time to meet with Him. Schedule an appointment in your calendar to meet with Him every day this week.
- Read Col. 1:9-12 Apply what it says in your daily meeting with God & you’ll encounter His peace in a fresh way this week.
- Commit to praying the “prayer focus” every day this week & share a “God encounter” you’ve had with someone.
